IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2022

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Janice Segall of Pasadena, California.

Ms. Segall and her family moved a great deal during her youth, given her father was in the United States Air Force. After graduating from high school in Redlands, California, she attended the University of Redlands, University of California, Irvine and University of California, Berkeley, where she obtained her teaching credential.

Ms. Segall had an outstanding nearly three-decade career with the Los Angeles Unified School District (LAUSD) as an elementary school teacher in east Los Angeles. During her time with the LAUSD, she also coordinated the Gifted and Talented programs, worked for the University of California, Los Angeles (UCLA)'s Writing Project, and was a math instructional coach for seven years. With an interest in combining literature and art, she was one of the first teachers in the young children's art programs, a collaborative effort with the Museum of Contemporary Art and LAUSD. After her retirement from LAUSD in 2011, she worked part-time for the UCLA Math Project as a coach-facilitator for the CGI Math Initiative in various schools across Los Angeles.

Ms. Segall's volunteer activities have included serving the Ronald McDonald House Pasadena and as an after-school tutor at 826LA in the Echo Park neighborhood of Los Angeles. Her current volunteer activities include preparing lunches for Union Station Pasadena and fostering a puppy with Guide Dogs for the Blind. Passionate about supporting literacy and public libraries, she is Past President of the San Rafael Library Associates and currently President of The Friends of the Pasadena Public Library.

A long-time resident of Pasadena, Ms. Segall enjoys spending time with her sons, Alex and Peter, and two grandsons, along with reading, movies, and hiking.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Janice Segall.

HONORING POLICE CHIEF ROBERT
DRISCOLL OF PLEASANT HILL

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2022

Mrs. HARTZLER. Madam Speaker, I rise today to honor one of Missouri's finest, Chief Robert Driscoll. After serving his community by providing public safety for more than three decades, Chief Driscoll announced his retirement from the Pleasant Hill Police Department in Missouri's Fourth Congressional District. Residents of Pleasant Hill have long benefited from Chief Driscoll's selfless commitment to serve and protect, and his steady leadership will be missed.

Chief Driscoll began his career with the Pleasant Hill Police Department in 1984, where he quickly rose through the ranks to Chief of Police in 1996 thanks to his integrity and commitment to serving his community. Throughout his years of dedicated service, Chief Driscoll has led his department and the City of Pleasant Hill through devastating events, such as fires, floods, ice storms, tornadoes, building collapses, and train accidents, while keeping crime at bay. In these times of crisis, Chief Driscoll stood as a resilient, steady leader which his community could turn to for guidance.

Among Chief Driscoll's most notable accomplishments were bringing 9-1-1 to Pleasant Hill and integrating the dispatch system into a county-wide emergency network system. Thanks to Chief Driscoll's advocacy and leadership through the implementation of these emergency services, Pleasant Hill's over eight thousand residents are safer and get the help that they need sooner.

Chief Driscoll exudes all the necessary qualities critical to effectively advocating and representing one's community as a public servant and a law enforcement officer—steady leadership, unwavering devotion to serving others, admirable character, and a positive attitude. On behalf of Missouri's Fourth Congressional District, I thank him and his family for their immense devotion to serving our community and keeping us safe. Congratulations on a well-deserved retirement.

TRIBUTE TO NANCY BEYDA—28TH
CONGRESSIONAL DISTRICT
WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2022

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Nancy Beyda of Hollywood Hills, California.

Ms. Beyda was born in Vincennes, Indiana. In 1981, she moved to Los Angeles to attend the University of California, Los Angeles and start her film career as an editor. After meeting her husband, Kent, and becoming the mother of three, Ms. Beyda decided to take a step back from her career to raise her children. It was during this time Ms. Beyda realized her passion for infant and maternal wellness that would ultimately launch her career as a midwife. Ms. Beyda has delivered hundreds of babies throughout the years to mothers in Los Angeles and ran a baby group offering support to new parents.

A tireless and dedicated volunteer driven to help the community, Ms. Beyda has selflessly given her time to support individuals who are unhoused and food insecure. She volunteered at The Center in Hollywood, a homelessness resource center focused on ending homelessness and isolation in Hollywood, and currently serves on the Board of Directors. Ms. Beyda has also led a gift drive every year for the children of the women living in Good Shepherd Shelter.

Ms. Beyda's strong spirit and love for volunteerism led her to establish an extraordinary non-profit organization, FoodCycle LA, which picks up excess food from businesses, such as restaurants and grocery stores in Los Angeles and delivers the food to organizations serving people in need. From its humble beginning as a small volunteer group, with Ms. Beyda picking up surplus food from one grocery store with help from her friends, FoodCycle LA has blossomed under Ms. Beyda's leadership and has grown to serve nearly 70,000 meals every week. They also use innovative technology to expand their impact, serving more than three million meals in

2021 in partnership with hundreds of businesses and nonprofit organizations.

During her free time, Ms. Beyda enjoys hiking with her family, being in nature, and practices yoga as often as possible.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Nancy Beyda.

SUPPORTING UTERINE FIBROID RESEARCH AND EDUCATION

HON. DONALD S. BEYER, JR.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2022

Mr. BEYER. Madam Speaker, I rise today in support of a critical issue facing women's health that is often misunderstood, grossly underfunded, and has significant ripple effects on a woman's physical and mental health. This condition is uterine fibroids: noncancerous growths in the uterus that can cause severe bleeding, body pain, infertility and miscarriages, and several other consequences.

Uterine fibroids affect 70 percent of White women and 80 percent of Black women in the U.S. during their lifetime. Each year, over 200,000 women undergo hysterectomies for uterine fibroids, with Black women twice as likely to undergo this treatment to alleviate symptoms. We need to do more for these women. Other treatments exist, and we cannot allow a lack of awareness to put women through an unnecessary, lifechanging operation. We do not need to deprive women of their right to have children, to instruct them to sit home for six weeks and recover from such an invasive procedure, to put them at risk of complications.

More must be done to research uterine fibroids, educate health care professionals, and raise awareness for patients. I am proud to cosponsor H.R. 2007, the Stephanie Tubbs Jones Uterine Fibroid Research and Education Act of 2021, as it would expand and coordinate uterine fibroid research at NIH and direct HHS to issue an awareness campaign and research Medicaid coverage of uterine fibroids. We are in Women's Health Month. In this Month, we reflect upon the important women in our lives, and how medical research must better represent them. I am proud to support the Stephanie Tubbs Jones Uterine Fibroid Research and Education Act of 2021 and urge my colleagues to join me. This condition cannot wait, women suffering with this condition cannot wait, and this bill cannot wait.

HONORING THOMAS PETERS, PH.D.

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 17, 2022

Mr. HUFFMAN. Madam Speaker, I rise today in recognition of Thomas Peters, Ph.D. upon his retirement from Marin Community Foundation as its intrepid president and chief executive officer for nearly a quarter of a century and for a lifetime of extraordinary public service.

Dr. Peters graduated from the University of Minnesota with a doctorate in medicine, psy-

chology, and genetics. In 1974, he was hired by the San Francisco Public Health Department to manage a team of healthcare workers providing physical and mental care to both victims and perpetrators of crime. Within 7 years, he was promoted to Chief of Staff and tasked to navigate the unprecedented HIV/AIDS epidemic gripping San Francisco. In 1991, after a lengthy tenure as Chief of Staff for the San Francisco Public Health Department, Dr. Peters was selected to serve as the director of Marin County's Department of Health and Human Services before joining the Marin Community Foundation (MCF) in 1998.

Throughout his time with MCF, Dr. Peters demonstrated impeccable leadership, establishing MCF as one of the largest community foundations in the country with an exceptional reputation for its mission-driven value alignment. Under his leadership, the foundation increased its assets from approximately \$900 million to more than \$3 billion and distributed over \$2 billion in grants to support early education through college, affordable housing, and environmental stewardship. Dr. Peters accomplished this by attracting an unprecedented number of new donors and starting a donor-advised funds program, while also reshaping the governance structure and refocusing the Foundation's priorities to address Marin County's profound income and educational inequities. While focusing on big issues, Dr. Peters also led in a manner that both promoted and supported local and innovative solutions from grassroots community groups and nonprofits. His unwavering commitment to social justice provided both voice and philanthropic giving to underserved and disenfranchised communities in Marin County, as well as models for philanthropic organizations to follow throughout the region, state, and Nation.

Always one to respond to a crisis, Dr. Peters rounded out his legacy during the COVID-19 pandemic, directing the Foundation to provide critical relief for Marin in the form of millions in nonprofit grant funding, PPE for local healthcare facilities, and rental assistance in partnership with Marin County.

Over the decades we developed a close bond, and my staff and I had the good fortune to experience Dr. Peters' maverick problem-solving talents firsthand, evoking the spirit of Congressman John Lewis to collaborate, or as we liked to say, get in "good trouble" to tackle issues like gun violence prevention and NIMBYism. Among many special memories is our work in 2012 to help save China Camp State Park from closure. With the support of the Foundation and my successful legislation to keep state parks open, the local nonprofit Friends of China Camp now operates China Camp State Park.

Dr. Peters has delivered on the mission of Marin Community Foundation to improve the human condition, embrace diversity, promote a humane and democratic society, and enhance the community's quality of life, now and for future generations. He has been the moral compass for the Foundation and Marin County for decades and retires with a legacy that will serve us for many years to come. Madam Speaker, I respectfully ask that you join me in expressing immense gratitude to Dr. Peters for his extraordinary generosity of spirit, unwavering integrity, and innumerable contributions to improving the human condition, and extending to him congratulations on his retirement and best wishes on his next endeavors.
